

900-FRM-3A

Rack Mount Fiber Optic Enclosure 1RU

The Dynacom 900-FRM-3A is a compact and efficient 1RU rack-mount fiber optic enclosure designed to simplify fiber management. This enclosure features a sliding tray that fully extends for easy access to fiber optic components, making installation and maintenance hassle-free. With space for three standard LGX adapter panels (not included), the 900-FRM-3A provides ample room for connectors, splices, and cable management. Its sturdy construction and versatile design make it a reliable choice for various network environments. Optimize your rack space and streamline fiber operations with the Dynacom 900-FRM-3A.

Specification:

Material:	Cold Rolled Steel
Finish:	Powder Coat, Black Textured
Dimension:	19" Rack 1 RU
Panel compatibility:	3 LGX
Mounting:	19" Rack
Cable Entry:	Rear
Splice Tray:	3
